Report of Principal and School Improvement Council

East Aiken School of the Arts is a Title I school which currently houses over 600 students in pre-kindergarten through fifth grade. The purpose of East Aiken School of the Arts is to accommodate differences, reveal a passion for learning, teach appreciation, and stimulate creativity. East Aiken School of the Arts is an Arts in Basic Curriculum Site and the recipient of a Distinguished Arts Program Grant.

Student achievement continues to be our top priority at East Aiken School of the Arts. Benchmark assessments for ELA and math were implemented this year at all grade levels. Grade-level data teams were established to analyze, interpret, and use benchmark data results in order to make instructional decisions. In addition, our School Intervention Team continues to analyze multiple data sources to determine academic and behavioral needs of all students. Arts-integrated instruction continues to be the backbone of our daily instructional practices. The scheduling of collaborative planning time between arts and grade level teachers continues to be a challenge. Our technology resources were also updated this year with the addition of an iTouch cart of 30 iTouches for student use and iPads for each teacher to use as an instructional tool to engage students.

During the 2013-2014 school year, we continued to successfully expand our innovative arts programs. Ceramics was added to our After-School Arts Program this year. Our jazz band also debuted to the delight of all audiences. Our innovative arts program also includes weekly clubs for students in grades 3-5. These clubs allow students to explore a wide range of art interests such as steel sculpture, chorus, dance, creative writing, animation, and graphic design. The highlight of the year was our spring musical, Schoolhouse Rock, Jr. Live! Our Arts Steering Committee, consisting of community members, parents, teachers, and district administrators, continues to guide and support our efforts to offer students a comprehensive arts education.

Some proud moments for East Aiken School of the Arts during the 2013-2014 school year were: our chorus performed at the United Way Campaign Kick-Off, our violin students performed at Holley Days in Aiken and at the Garcia Orchestra Project, began a partnership, Rotary Readers, with the Aiken Rotary Club, 3 students placed in the State Fair Art Contest, a 5th grade student was an honorable mention winner in the state level competition Celebrate Art! Competition and Exhibition, a 5th grade student placed 3rd in the Martin Luther King Jr. Essay Contest, our 5th grade yearbook club designed the school yearbook, awarded \$5,000 in SRNS Innovative Teaching Mini Grants, awarded a Savannah River Remediation STAR grant for \$1,000, and students read over 28,000 books surpassing the school's year goal of 23,500 books.

With the full support of our School Improvement Council, parents, teachers, and the community, we look forward to continuing on our journey of Striving for Academic Excellence through the Arts.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
